

Capital TitleSM
A Shaddock Company

"The Largest Independent Title Company in Texas"

Jason Schnell

Executive Vice President of Information Technology

Jason P. Schnell serves as the Executive Vice President of Information Technology for Capital Title of Texas. He has been with the company since January of 2006 and is responsible for all management, operations and the fiscal health affiliated with the organization's IT. He is also the acting IT Director for Capital Title's partner organizations and vendors which spans over 50 offices domestically and overseas. He has been in the IT industry for over fifteen years and specializes in banking, mortgage and title insurance IT network platform architectures.

Prior to Capital Title of Texas, Mr. Schnell was recruited to Plains Capital Bank in 2003 as VP of IT implementations where he worked cohesively with 12 other subsidiary IT departments while simultaneously spearheading multiple IT projects aimed specially at the Title Insurance industry. Before Plains Capital Bank he held the position of Network Administrator for 5 years at Altair Global Relocation and was directly involved in the planning, integration and management of the networks applications and topology.

Mr. Schnell holds a bachelor's degree from Western Illinois University, graduate degree from Southern Methodist University Computer Science and Engineering program and served six years in the United States Army and has earned numerous military and company awards for outstanding achievements. He also holds multiple certifications from Cisco, Juniper, Microsoft, Citrix and is overseeing Capital Title of Texas' "SAS 70 - SSAE 16 compliance initiative."
